#### Report on Saturday Cove Float

The Town of Northport has offered to transfer ownership of the float to the Northport Village Corporation (NVC) at no charge. NVC will be responsible for relocating float to Bayside. The float could be moved as soon as April 28 if the transfer is approved by the Board Overseers.

Craig Brigham moved that the WSC recommend that the NVC Board of Overseers accept ownership of the Saturday Cove float. The motion was seconded by Bill Haverty and passed with unanimous support, with thanks to the Town.

#### Communicating Ratified Rules and Voluntary Registration Process

The committee reach consensus on communicating updated rules and voluntary registration process through the following outlets:

1. An article in Spring 2019 Tell Tale.
2. Post Ratified Rules on BaysideMaine.com
3. Post rules at the Wharf and on the bulletin boards throughout the Village.
4. Distribute copies of the rules and the new registration form at NYC Kick-Off event.

#### Voluntary Registration for Watercraft Stored on NVC Property

The committee asked the Wharfmaster to develop a registration form. The form will be available at the Village Office, BaysideMaine.com, and the Village Office.

The WSC will purchase registration stickers similar to those used in Rockport. Stickers will be distributed, by the Wharfmaster or at Village Office, to those completing a registration form.
