Annual Report

of the

Northport Village Corporation

For the Year Ended December 31

1929

President's Report

A list of the locations of the fire extinguishers is enclosed, and it is suggested that this list be kept in a convenient place in each cottage.

The construction of a sewer system on the South Shore should be considered at an early date.

The Village finances are in excellent condition. The purchase of the wharf, all permanent improvements and expenses for the current year have been paid out of cash on hand and cash items, as shown by the Treasurer's report.

Respectfully submitted,

RALPH L. FLANDERS, President.

August 6, 1930.
