

Parking Recommendations

*From the Ad Hoc Parking Ordinance Implementation Committee
February 8, 2022*

We recommend focusing on communication and education during the first full summer of implementing the Parking Ordinance adopted on July 11, 2021.

1. Signage with a QR Code allowing the user to access the parking map with their phone to be placed at the top of Ruggles Park on a sign pole or the bulletin board, and at lower area of Ruggles Park, possibly utilizing telephone pole.
2. Signage of parking map with QR Code at the seawall.
3. A “No parking this side of street” at top of Park Row on right side.
4. A “No parking this side of street” by kayak storage.
5. A “No parking this side of street” on Bay Street, about midway along the Blaisdell Park border.
6. A “No parking this side of street” on Sea Street, near upper border of Blaisdell Park.
7. A “No overnight parking” sign at the seawall.
8. A “No parking between signs” as designated on the map on lower Main Street.
9. A “No parking between signs” on right side of Ruggles Park (commonly referred to as lower Maple Street), as shown on map.
10. Areas for possible “No Parking” signs or painting:
 - a. Lower vertex at bottom of playground
 - b. By water treatment facility
 - c. Circle at bottom of Ruggles Park
11. Place parking information in with utility bills in March.
12. Recommend that all rental agents for Bayside property owners give parking flyer to renters and make available on their websites.
13. Parking flyer featured in all Bayside websites.
14. Parking flyer given to people registering their watercraft.
15. Parking flyer given to Yacht Club to distribute to members, stressing importance of compliance.
16. Special Parking Permit for those given special permission to park in an area, to place in their car.
17. Parking Violation warning notice to inform owners of cars parked in violation of the ordinance, including the nature of the violation, to reinforce key aspects of the Parking Ordinance. Draft document is submitted for Overseers’ consideration.
