*This is a business meeting conducted in public; it is not a public meeting. An opportunity for comments from members of the public is provided before the business meeting begins and end of the meeting. Unless a question from the public can be answered definitively and very briefly, the Board usually does not engage in a dialog with a commenter. If the speaker addresses an item on the Board's agenda, the Board's consideration at that time may respond to the speaker's comments. When recognized, a commenter should state their name and Village address and make their point briefly. Depending on the number of public members who wish to address the Board and the length of the Board's agenda, the presiding officer may establish a time limit for speakers. Agenda items may be taken out of order to accommodate guests. **Remote participants will not be admitted to the meeting unless the participant's name is identifiable.**
